Reliability

~Reliability~

I've been known to be a coward
Been known to run and hide
but when you really need me
I'll be right there by your side
You should know that you can trust me
with anything you want
Though I may just goof it up
I'll do my best to help a lot
But I have problems too
Maybe that's why I'm not brave
I've got some issues with my father
And it makes me want to rave
Cause I want to be a doctor
Just like my dad and brother

but a doctor whose afraid of blood
would be just like no other
So now that I'm here with my friends
And wanting to go home
And wishing that this fight would end
At least I'm not alone
I have the crest of reliability
And it couldn't be more true
Because no matter how scared I am
I'll be right there with you.

End
file.
